David Mann presented a demonstration project for evidence based services for Youth in Transition. They are currently looking for members to be part of the advisory board for the first year of the 5 year project. Linda Carmon-Bell, Liz Tripur and Bonnye Kelman expressed interest in the advisory board.

The group reviewed the shared Google Doc for suggestions to OVR for what to include if a promotional video were to be created.

Attached to the minutes is the draft copy. The group brainstormed additional ideas and we will continue to edit in the google doc and work on completion at our next meeting.
